

KROSSS- Kick Racism Out of Sports, Schools and Society

Education and Culture DG

Lifelong Learning Programme

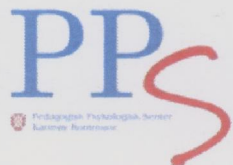

The aims of the project 2009-2011 wishes to

- * develop an in-service training course for teachers on co-operation principles through sport.
- * develop a schools curriculum with a programme of sports activities
- * produce publications and teaching resources for wider dissemination across the education and sports communities
- * organise a European conference on Equality in Sport, Schools and Society in 2011
- organise a summer soccer competition
